**Date : 12-12-2024**

**MESSAGE**

I extend my heartfelt congratulations to Amalorpavam Higher Secondary School, Puducherry on the publication of its *Ruby Jubilee Souvenir Magazine*, marking 40 glorious years of excellence in the field of Education.

I was truly inspired by the remarkable journey of this institution. From its humble beginnings in 1984, with just 30 students and three teachers, Amalorpavam has now grown into a beacon of academic excellence and nurturing achieving students today.

The institution's remarkable achievements, ranging from exceptional academic results to its other pioneering initiatives are exemplary. I was particularly impressed by your commitment to nurturing talent in diverse fields, including fine arts, sports, skill-based education and other disciplines like robotics and agriculture. Amalorpavam Higher Secondary School is more than a place of learning. The legacy you are creating is a gift not just to Puducherry but to the nation.

As you commemorate this significant milestone, I encourage you to continue striving for excellence, expand your horizons to include preparations for competitive exams like civil services, and uphold your dedication to holistic education.

Wishing you continued success in all your endeavors!

***Jai Hind !!!***
